EDUCATION

University of Notre Dame — *Bachelor of Science*

AUGUST 2021 - MAY 2025

- Majoring in Computer Engineering
- Current GPA: 3.81

Mater Dei High School — 4.72 W GPA, 35 ACT, 1500 SAT

EXPERIENCE

Engineering & Science Computing at ND — *Computer Consultant*

AUGUST 2022 - PRESENT

Process and image new laptops and desktops, set-up and deliver computers to staff, and assist faculty with troubleshooting IT problems.

Fountain Bowl — *Customer Service Associate*

JULY 2022 - AUGUST 2022

Worked customer service at a bowling alley, solved customer problems, served food, and provided a clean and healthy environment.

CS4Good — *Volunteer Project Member*

JANUARY 2022 - MAY 2022

Worked with my team to create a website for the club, learned web development with HTML, CSS, and JavaScript along with teamwork skills and GitHub.

Self-Employed — *Personal Tutor*

MARCH 2018 - MAY 2021

Created and implemented lesson plans for middle school and high school students in various subjects on a regular basis, teaching challenging topics and reinforcing what was learned in the classroom in one-on-one tutoring sessions.

PROJECTS

Project Horizon — *Lead Front End Developer*

A web-app prototype created with Python and Flask during a Hackathon that aims to encourage homeowners to switch to renewable energy by providing a free consultation on the benefits of going solar in their area.

Capture the Flag — A 2D game created using Unity and C#, involved graphic design, UI, scripting, and developed into both a PC and mobile app. (Demo can be found on my website.)

Sudoku Solver — A Python project that solves Sudoku puzzles using a backtracking algorithm and recursion.

SKILLS

- Git/Github
- Python
- C/C++
- HTML & CSS
- JavaScript/React/Node
- Linux
- Unity
- Microsoft Office Suite

AWARDS

- National Merit Commended Scholar
- AP Scholar with Distinction
- California Scholarship Federation Sealbearer Status

INTERESTS

Building/Flying FPV Drones -

Researched how to build a First Person View racing drone, built my own quadcopter, taught myself basic electronic systems and soldering.

Choir - Performed with and held leadership positions in prestigious choral groups throughout middle school, high school, and college.

Cubing - Participated in competitive Rubik's cube solving, ranking at one point in the top 300 in the country in one event, and achieving a personal record of a sub-10 second solve.
